

**M.A CHAUDHRY
ENTERPRISES**

Contractor & Engineer

INTRODUCTION

MA Chaudhry Enterprises was established in 2008 by joining a group of highly skilled employees with years of on hand experience for the sole purpose of forming a small and highly skilled Civil and Mechanical Construction company specializing in HT, LT, infrastructure building & Bridge related projects.

We possess sound financial position as well as technical skills and background. The company is also able to handle all sorts of projects in Pakistan through its Number of offices situated in all areas of the country with ample human resource. Although the company is situated in Pakistan; we operate as far as sector G-9/1 Islamabad

We

are always available with the necessary skills, knowledge and equipment to meet any requirement in the field of general construction, civil, electrical & mechanical engineering. Safe working conditions are a very high priority to us not only for our employees, but also our customer's. This not only enables us to delivers a dynamic and professional services to our customers, but also gives the clients the assurance that their interest is served by members and staff personally to complete projects on time and to the required quality standards. Specializing in quality cost-effective projects across a number of construction fields - building infrastructure & electrical MA currently operate through out Pakistan with a view to expanding into the rest of continent.

From

inception M.A Chaudhry was designed to create a system that is compatible with government and its alliance, NGOs, and the private sector having put these structures in place, a top quality management tier was installed, and company committed itself to a path of constant innovation MA Chaudhry enterprises & Manufacturing, was formed by businessman who have a combined experience in general construction, civil construction, mechanical construction, electrical engineering and consultancy services. The strength and success of the company can be measured by the many top quality top projects they've completed, on time, with consistent client stratification. MA Chaudhry takes pride in its teamwork collaboration methodology, and capacity building initiatives.

While

our years of experience and expertise as building contractors mean we can tackle even the largest contacts with complete confidence, we are also equality adept at handling the smallest jobs. Nevertheless, no matter how big or small the project, our customers are rest assurance that it will be completed on time, within their budget and to the satisfaction of even the most exacting clients. This document aims at introducing MA Chaudhry Enterprises by providing only a synopsis of the Company's organization, its capabilities and activities it is/or was involved in.

YOUR
DREAM**”

COMPANY

PROFILE

MA CHAUDHRY Enterprises, Contractors and Engineers have been engaged in a diversified range of activities relating to infrastructure development and maintenance projects for the past 8 years. During this short span of existence, the company has won recognition beyond the national boundaries through successful completion of several large and strategically important projects. The Company is registered with the Registrar of Firms, Islamabad and the Pakistan Engineering Council (PEC). The Company's Head Office, which is located in Islamabad, controls its countrywide and international operations through a dedicated and experienced team of professionals and support staff under the dynamic leadership of Mr. Muhammad Ashraf, Chief Executive and Mr. Muhammad Asif, Managing Director of the Company.

The Company has experience of working in all environments and in difficult areas like marshy, sand dunes, water logged, rocky, agricultural, and densely populated. The Company owns a huge fleet of all sorts of construction equipment, be it required for civil construction or infrastructure development. The specialized equipment and expert manpower could be mobilized within the shortest possible timeframe. The Company maintains high standards of quality of work to meet the level of its clients' satisfaction. Strict procedures are used at our sites and quality assurance audits are performed regularly.

The Company follows a Quality Policy Manual which provides guidelines for the overall quality management of the work while specific quality control plans are made an integral part of the scope of work for each specific job site.

MA Chaudhry Enterprises has evolved through various stages of corporate and infrastructure development. Since its coming into existence, the company has pioneered in engineering design, procurements, construction activities related to infrastructure development, civil, mechanical and electrification projects. The company has the capacity and capability to provide services for engineering, procurement and construction of infrastructure projects in the following categories: MA Chaudhry Enterprises has successfully completed numerous jobs relating to Infrastructure Development and heavy earthworks such as wellhead locations, access roads.

VISION

MA Chaudhry Enterprises will continue to play a major role in infrastructure development in Pakistan. To help us achieve this aim and grow our capacity and reach, we will be creating partnership with future emerging contracts. We will deliver, and enhance the black economic empowerment policy of the Government, and capacity building through skills transfer. Resource and investment will be optimized and distributed to the benefit of PDI Groups.

MA Chaudhry Enterprises is committed to providing total services excellence through best of class performance and efficiency. It will continue to contribute to sustainable economic growth and development and social transformation in Pakistan by using the company's procurement process to effect the redistribution of wealth. Its dedication to upliftment of the community is regarded as a priority that is secondary only to profit making.

MISSION

Our basic motto is to provide services to achieve satisfaction of our valued customers through application of advanced technology and better approach. We are quality conscious and finish our jobs with honesty, simplicity and hard work. More importantly, we believe in meeting the timelines of our clients without compromising on quality. We endeavor at all times to provide comprehensive services to our clients. We strive to complete projects and within budget.

QUALITY STATEMENT

MA Chaudhry enterprises provide quality infrastructure development in the form of building and civil works & electrical projects, office falsities community center. It access and transforms policy into tangible, yet accessible information, which is disseminated to all tiers of government and local community structure. Excellence working relationships have been established with other key players in the industry, which have yielded great awards. The past years have proven the benefits of deduction, integrity and sustained Clint dealings-which speak volumes for the experiences of the management team operators.

AFFIRMATIVE ACTION STATEMENT

M.A Chaudhry enterprises believe in the ideals of affirmative action, and in the creation of opportunities for empowerment of the disadvantage. It provides in house-training in building. managerial, technical and other related fields. All training programmers are carefully monitored by professional supervisors.

OCCUPATIONAL HEALTH & SAFETY ENVIRONMENT POLICY

The Company places very high priority for the health, safety, and environment issues at each site. A Health, Safety, and Environment (HS&E) Manual provides the general guidelines for the manpower, boarding / lodging and construction activates. Each site is then provided with HS&E plans specific to the site and prevailing conditions. The company carries an excellent track record of HS&E on the projects it has completed so far. We maintain high standards of safety and care taken to educate our teams on the hazards of construction.

MAINTENANCE WORKSHOP FOR THE EQUIPMENT

A well-equipped maintenance workshop is being run for the up-keep of the equipment and machinery and other jobs under the supervision of highly qualified personnel. An inventory of spares normally required for the upkeep of the equipment is maintained to shorten the down time of equipment.

We also know that every step in the process thereafter can be just as critical in its own way.

M.A Chadhry Enterprises proprietary Key Activities for Successful Execution (KASE) process evaluates essential activities on each project to mitigate risk in advance of deploying vital resources. KASE coordinators keep our functions aligned to ensure seamless integration of critical work products. M.A Chadhry Enterprises proprietary Key Activities for Successful Execution (KASE) process evaluates essential activities on each project to mitigate risk in advance of deploying vital resources. KASE coordinators keep our functions aligned to ensure seamless integration of critical work products.

M.A Chaudhry Enterprises originally developed to improve quality in manufacturing operations we launched this business management capability in 2010 as a part of a greater strategy to improve processes continuously in every corner of our engineering, procurement, and construction functions. This has benefited our customers through increased project efficiency; identification of innovative solutions; and cost savings.
